

# A. B. ERNST PARK NEEDS TO HEAR FROM YOU!

We need your input! Seattle Parks and Recreation is expanding A. B. Ernst Park located at 719 N 35th Street, next to the Fremont Branch Library. Seattle Parks and Recreation is moving forward with development of the parcel north of the park that was purchased in 2010.

Please join Seattle Parks and Recreation's Planner and Site Workshop, landscape architects, at the Fremont Sunday Market to provide your ideas about park addition. We will have an Open House tent at the market to show design options and hear what you like the most about proposed designs.

This project will expand upon the existing A. B. Ernst Park, provide access for people with disabilities and improve safety and other features at the park. Funding for this park improvement is provided by Seattle Park District.
